ANNEX

Statement on Georgia issued by the European Community and its member States at Lisbon and Brussels on 19 May 1992

The Community and its member States welcome the fact that parliamentary elections in Georgia have been set for October 1992. The announcement of the State Council and the holding of elections are yet another step on Georgia's way leading to democracy, rule of law and legitimacy.

These elections will further support the integration of Georgia into Europe and into the international community of States. The Community and its member States call upon all political forces in Georgia to carry on the democratic process of dialogue and of national reconciliation.
